**1ST LIEUTENANT J. F. STUERNER
US AIRFORCE - 10th July 1971**

A McDonnell-Douglas F-4 Phantom flown by Captain RC Wheeler, USAF over South East Asia, received battle damage in the starboard wing resulting in the wing catching fire.

At a speed of 260 kts at an altitude of 3,000 ft., 1ST Lieutenant Stuerner (WSO) ejected followed by Capt. Wheeler (pilot) using their Mk H7AF seats.
